Attention of Mr. Howland Wood:

Dear Sir:-

My cousin, Comte Wladimir d'Ormesson, who is writing a study of the first official mission of France in the United States, has, at the suggestion of Mr. Mazerolle, Director of The Musee de la Monnaie Francaise, requested me to inquire of you whether it would be possible for him, for the purpose of his work, to secure a reproduction of the paper dollar of 1778 or 1779, the original of which is in your possession.

My cousin states that he would be pleased to bear the expense of this should it not exceed the sum of about \$10. He asks otherwise whether it would be possible to have the original sent to Mr. Mazerolle, at the Musee de la Monnaie Francaise, to be returned by him in a short time.

I should appreciate very much an answer from you regarding this inquiry, and beg to thank you in advance for what you may be able to do to assist us in this matter.

Yours very truly,

StP/S
